

# Charter Oak® XL Premium Vinyl Siding

Charter Oak® *xl*  
PREMIUM  
VINYL SIDING

## *Extra length. Fewer laps. Added beauty.*

We've made Charter Oak® premium vinyl siding even more appealing. By making it longer . . . almost 40 percent longer . . . 16' 8" to be exact. The new, longer length means fewer laps . . . offering a cleaner, more attractive look to the finished appearance of your projects.

Use it by itself, or for greatest cost-effectiveness, mix it with regular 12' 1" panels. It's the same advanced design that made Charter Oak a market leader, a preferred choice for new construction and remodeling projects. Plus, Charter Oak XL's added length enables faster, easier installations.

Charter Oak XL comes in an attractive oak grain texture and a choice of 4½" clapboard or dutch lap profiles, as well as 25 popular colors.
